

# Practice Peace

| <b>The Dilemma</b>                       | <b>The Gut Instinct Way</b> | <b>The Wimpy Way</b>              | <b>The Strong Peacemaking Way</b>                       |
|--|-----------------------------|-----------------------------------|---|
| A thief steals corn.                     | Shoot the thief.            | Let the thief keep stealing corn. | Give breakfast to the thief and get to know each other. |
| Someone disrespects you on social media. |                             |                                   |   |
| A bully messes with you at school.       |                             |                                   |   |
|  |                             |                                   |   |
