

Emerge Reading Response

Name of resource: _____

Quantity (pages, chapters, or minutes): _____

For each reading response, write two paragraphs, 5-7 sentences per paragraph. For paragraph 1, summarize concepts and information you found helpful in the text. For paragraph 2, choose one of the following responses.

Give opinion: Tell what you think or feel about a certain part, and why. Be clear and specific.

Ask a Question: Something you don't understand in the resource or a larger question (about life, learning, or anything that the resource made you consider).

Make a Connection: Something in the resource reminds you of an experience or situation—something from real life or something from the biblical texts. How are the two alike or different?

Significant Passage: You realize a certain part in the text is important. Why?

An Alarm: Something in the text causes you concern. This concept doesn't jibe with your experience or your understanding of the Bible. Explain your alarm and the reasons for it.
