

The Merge of Maturing and Multiplying

Lesson Plan—Adults/Youth

Supplies:

- Handout: Mature and Multiply Merge

Procedure:

- **Talk** about this: God asks us to mature—to grow up in him. God also asks us to multiply—to make disciples. Sometimes it feels hard to know how to do both at once, to merge these two goals together. This chart can help. To mature and multiply at the same time, pay attention to these three areas.
- **Consider** the following questions together:
 - Which of these do you tend to do the least?
 - Who in your church is strong in this area?
- **Pray** as a class that God will help you grow in your area of weakness.
