

The Merge of Maturing and Multiplying

Lesson Plan--Children

Supplies:

- Handout: Mature and Multiply Merge

Procedure:

- **Talk** about this: God asks you to mature—to grow up in him. God also asks you to go—to make disciples. Sometimes it feels hard to know how to do both at once. This chart can help. To do both at the same time, pay attention to the three areas on the chart.
- **Consider** the following questions together:
 - Which of these do you tend to do the least?
 - Who in your church is strong in this area?
- **Pray** as a class that God will help you grow in your area of weakness.
