

Telling My Story

Lesson Plan--Children

Supplies:

- Handout: Telling My Story

Procedure:

- **Talk about this:** People like to hear stories. And one story you can tell is the story of your relationship to Jesus. So it's important for you to be able to tell this story well.
- **Distribute the handout:** Telling My Story.

Encourage participants to write their stories in class or at home. And invite participants to bring their completed stories back to class to share.
