

Asking Instead of Telling

Lesson Plan--Children

Supplies:

- Handout: Characteristics of Good Questions

Procedure:

- **Think about this:** In the Bible you can find over 300 questions Jesus asked. Here's an example: When Jesus met the woman at the well, he asked her a question. This got the woman talking. Later she and her friends came to believe that Jesus was the Messiah.

One way to make friends with people you don't know is to be curious about them, to ask them questions about their lives.

- **Do this:** Read the handout: What Makes a Good Question? Think of someone you don't know well—a neighbor, someone at school, or a player on your team. Write a question you could ask.
