

# Questions and Quotes

## Lesson Plan--Children

### Supplies:

- Handout: Questions and Quotes

### Procedure:

- Distribute the Questions and Quotes handout.
- Read the questions and quotes to participants.
- Ask participants to take a few minutes to circle a quote or question they like and to check a quote or question they don't understand.
- Ask participants to report an item they like (and why) and an item they don't understand (and ask a question).
- Facilitate any resulting discussion.
